

Welcome to Stat 158

<please don't open your paper>

Nice to meet you

1. Name
2. Year/Major
3. Hometown
4. Best food eaten over break

About that paper...

- 1) Write your first/last name on outside.

About that paper...

- 1) Write your first/last name on outside.
- 2) Open the paper, take 30 sec to answer, then fold and pass in.

Q, Do SAT prep courses improve SAT scores?
wh do ou think so?

[illegible]

Components of an Experiment

An experimental design is characterized by:

2

⑤

4

[illegible]

STUDY: How are responses to a question on a survey affected by other questions on the survey?

① The Nature of the Treatments

We chose an arbitrary number between 0 and 100.

The number selected and assigned to you is $X = 11$.

1. Do you think the percentage of countries, among all those in the United Nations, that are in Africa is **higher** or **lower** than X ? (circle one)

Higher

Lower

2. Give your best estimate of the *percentage* of countries, among all those in the United Nations, that are in Africa: _____

We chose an arbitrary number between 0 and 100.

The number selected and assigned to you is $X = 73$.

1. Do you think the percentage of countries, among all those in the United Nations, that are in Africa is **higher** or **lower** than X ? (circle one)
